Shoshana loves spending time at Grandma Jacobs' art studio and for Shavuot, Grandma Jacobs has a very special art project in mind! Shoshana learns how to make papercuts by carefully folding squares of paper and cutting shapes out of them. But can she create works of art as beautiful as the ones Grandma makes?

A Century at the Rapids - 1983-06-23

Local history book commemorating the first one hundred years, 1883-1983, of Pelican Rapids, Otter Tail County, Minnesota.

Into the Wild - Jon Krakauer 2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the

cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality.

Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

**brEAThe** - Muriel Brakefield 2013-04-12

brEAThe, a memoir, takes you into a world where the primal instincts for survival, to eat and breathe, are all but extinguished. Growing up in a picture-perfect Christian family, Muriel's formation as a young child and the shaping of her spiritual understanding are riddled with cracks. The veiled dysfunction and forgotten secrets send her reeling into an isolated abyss. Struggling with anorexia and depression from the age of fifteen through adulthood, Muriel struggles to make sense of the chaos. Then she remembers, shattering the façade. Amid the rubble of the soulquake, a life must be painstakingly reconstructed. Through facing the dark and difficult truths of her family secrets, Muriel moves from despair through forgiveness, finding freedom to live in a spacious place of abundance and peace. This tale of triumphal overcoming is a hope-filled celebration, a testimony to the resilience of the human spirit. For people trapped in pain, or for those who love them, this story will shine light into those dark crevasses, offering a lifeline of hope and courage.

Camp Rolling Hills (#1) - Stacy Davidowitz 2016-05-10

A hilarious and heartfelt series about the particular magic of summer camp—a place where reinvention is possible and friends are like family—from a sparkling debut talent. Finally, it's summer!

Stephanie—aka Slimey—has been counting the days until she can return to her favorite place in the entire world, Camp Rolling Hills. And this year she's especially happy to be back—she'll have eight blissful weeks away from home, where life has been decidedly rocky. New kid Bobby, on the other hand, is pretty sure he's in for the worst summer of his life. He does not understand his weirdo cabinmates, the group singing, and the unfortunate nicknames (including his: Smelly). But he does understand Slimey, and the two soon fall in crush. This summer might not be so bad after all! But then a fight sets off an epic, campwide, girls-versus-boys prank war. Bunks are raided! Boxer shorts are stolen! And it's up to Slimey and Smelly to keep the peace. "Camp Rolling Hills is funny and sweet. It brought me back to those amazing summer camp summers and my very first taste of young adulthood." --Michael Showalter, co-writer of *Wet Hot American Summer* "Stacy Davidowitz gets the magic of camp and the wonder of being twelve just right. Camp Rolling Hills is both heartwarming and laugh-out-loud hilarious." --Elissa Brent Weissman, author of *Nerd Camp*

The Purler Way - Nick Purler 2016-10-17

The Purler Way, by Purler Wrestling Academy owner and coach Nick

Purler, was written to help more wrestlers efficiently reach their potential. In *The Purler Way*, Nick shares practical advice, insights, anecdotes, and resources from his nearly four decades of combined experience in the sport as a competitive wrestler, parent of a competitive wrestler, and experienced coach. *The Purler Way* is intended for competitive wrestlers, parents of wrestlers, and coaches who want to improve the performance of participants in this difficult sport. The five chapter titles are: 1) Achieving Perspective, 2) Winning the Mental Game, 3) Training to Win, 4) Winning Matches, and 5) Parenting and Coaching Effectively. Helpful appendices are also included on such topics as nutrition for wrestlers and goal-setting.

**Parents' Magazine & Better Homemaking** - 1959

**John Wayne Was Here** - Roland Schaepli 2021-06-09

John Wayne worked on film sets around the globe. This book follows the trail, from his beginnings on the Fox backlot to his final filming in Lone Pine, California. Locations in Mexico, Normandy, Rome, Madrid, London, Ireland, Libya and Africa are covered, along with his favorite vacation spots in Hawaii, Acapulco, Greece, Monaco, and the Hollywood hot-spots he frequented. Anecdotes revisit his most famous scenes, including Rooster Cogburn's charge in *True Grit* (1969) and Davy Crockett's last stand in *The Alamo* (1960). Production details describe how San Diego stood in for Iwo Jima, how Old Tucson was turned into El Dorado, and how Genghis Kahn ruled over the deserts of Utah. Never before published photos present then-and-now views in this first of its kind guided tour for film location hunters and Wayne aficionados.

**Scholastic Coach** - 1989

Deadly Exchange - Wayne P. Crawford 2003-06-01

The main character in CYBER TREK is called Mankin (Yes, Mankin, not Mankind.) He is like our inner correcting force observing all things . . . but made few comments. The following is a concise insight into CYBER TREK. Migrants left their island homes with great hopes and found otherwise. Culture shock treated in a light-hearted manner. Discussion of

the stifling British old-boys system on the island . . . a time when the advantaged brown-skinned colonialists emulated the British, and practiced a fiercer type of social exclusion against the disadvantaged Blacks. Marcus Garvey's legacy and the Rastafarian Movement (Beating down Babylon!) . . . Authentic Jah discussions! Changing Caribbean politics (Jamaica specific), and the rise of the notorious gunman. Return of the deportees and the old political "Father confessors!" The old conniving politicians whom now want to confess their misdeeds. (Poking fun at the system and its leadership--in some instances it is not really funny.) Insight into the religious ideas of the wishy-washy political preachers that populate the islands--religious beliefs and practices of island groups. Not to be taken seriously--a fun thing! Political (politricksians) insecurity, silly inter-groups rivalry and biases of the various Caribbean island groups. Another political look, comparing Garvey's time with the present-day free-market system . . . Was Garvey wrong in his skepticism of the NAACP? Was he wrong in denouncing Haile Selassie for losing the war to the Italians? Dialogue between two radicals: one is the younger pro-Malcolm X (Kenworth), the other older pro-Garveyite (Simnally.) These guys interspersed their radical streetwise 1960-70s dialogue throughout the manuscript. Finally tired and old migrants now pining to return to their homeland . . . What are their chances for peaceful retirement in an island society gone mad with lawlessness and corruption?

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports,

history, fiction, science, comics, and Scouting.

*Slaughterhouse-Five* - Kurt Vonnegut 1999-01-12

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds*. Selected by the Modern Library as one of the 100 best novels of all time, *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and

schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe
