Southern Arabia - James Theodore Bent 1900

The Travels of Ludovico Di Varthema in Egypt, Syria, Arabia Deserta and Arabia Felix, in Persia, India, and Ethiopia, A.D. 1503 to 1508 - Lodovico de Varthema 1863

The Travels of Ludovico Di Varthema in Egypt, Syria, Arabia Deserta and Arabia Felix, In Persia, India, And Ethiopia, A.D. 1503 To 1508 by George Percy Badger, first published in 1863, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Wine and Society - Stephen Charters 2006

Wine is becoming increasingly popular in the Anglophone world and there are many books available which describe how and where it is made. However, none address the fundamental questions of different structures of production and how the consumer relates to the product - this book is the first to do just that. Wine and Society: the cultural and social context of wine production and consumption looks at the relationship between wine production and marketing, focussing in consumer behaviour and cultural attitudes. Divided into four parts, it examines the context of wine production, the wine consumer and the social context of wine, discussing the following themes: * That the core of wine production and consumption is shaped by historical, geographical and cultural factors. * Wine production - European and new world looking at the different kinds of producer and how the varying background of each shapes their perspective on what they produce * Terroir and appellations: why demarcation and sense of place became important, how they are used to achieve marketing differentiation, and the 'benefits' (or otherwise) to the customer. * The contemporary wine consumer and lifestyle factors - looking at wine clubs, tourism, education, culture and literature * The politics and economics of wine - from supporting rural industries in France to protecting customers from deception and health risks. Suitable for third year and post-graduate students of hospitality, wine (both in production and marketing), wine tourism, gastronomy and related courses, it encourages students to think critically about the issues raised by using real life case studies and examples from around the world, also including press releases and marketing campaigns.

Two Worlds Level 4 Intermediate American English - Helen Everett-Camplin 2010-06-29

The graded readers series of original fiction, adapted fiction and factbooks especially written for teenagers. Through different voices, this book explores the 'Two Worlds' of immigrants to Britain: the home they left and the home they are now in. The characters outline their reasons for leaving their home country and their impressions of the United Kingdom. This paperback is in American English. Audio recordings of the text are available on our website at:

The Drive to Dubai - Julie Till 2010

When his father is arrested in Dubai, Kareem has to move fast. He must show that his father is not a thief - and prove that his family is honest. For Kareem is going to marry the beautiful and intelligent Samira Al-Hussain, and she could never marry someone from a bad family. So Kareem and his brother get to work quickly - with a little help from Samira. If you need lively supplementary reading material, take a look at

Oxford Dominoes - the readers series with integrated activities, ideal for individual study or for reading practice in class. The activities in Dominoes keep students engaged in the stories and help to reinforce their understanding of the key language. They can be completed at home or in class. The project activities in Dominoes build on the themes from the story and encourage students to draw on their own experiences. Activities include note-taking and language tasks, leading to extended writing, poster-making, and class presentations. They are ideal for group work in class or individual assignments.

The Wine, Beer, and Spirits Handbook - The International Culinary Schools at The Art Institutes 2009-04-22

Master the mysteries of wine. The study of wine and beverages has become integral to hospitality education. The Wine, Beer, and Spirits Handbook demystifies the wine and wine-making process, examining not only the making and flavor profiles of wine, beer, and spirits, but also the business of wine service as practiced by a chef or sommelier. Unique to this book, is the strong emphasis on food and wine pairings, as well as food and beverage interactions. An entire chapter uncovers this broad, often intimidating, topic with detailed information on table wines, sparkling wines, fortified wines, beer and spirits. More importantly, The Handbook explains the responsibilities of a sommelier from both service and managerial perspectives. Readers explore their wine-related duties including: the developing of wine lists, identifying faulty wines, ordering, receiving, and storing wines, conducting inventory control, pricing, product research, cellar management, and the health and legal implications of wine consumption. A comprehensive, one-stop resource to the character and best use of beverages, The Wine, Beer, and Spirits Handbook will help every student, chef, sommelier and wine enthusiast confidently master the mysteries of wine and other beverages.

Dominoes: One: Mystery in Muscat Pack - Julie Till 2011-07-14

Dear Fiona - Fiona Fullerton 2012-09-01

He was a suspected Cold War spy. She became the glamorous KGB double agent in a Bond movie. When a prisoner writes to a movie star, the best he can hope for is a signed photo. But when Alex wrote to Fiona she was beguiled by the artistry of his letters and poems. In this heartfelt memoir, the author recalls - for the first time - her 12 year correspondence with Prisoner 789959 Alexander Alexandrowicz - including his wise counsel about her marriage, divorce and career at the forefront of cinema, TV and theatre. Based on their original letters, the narrative is one of contrasts - about a man in the darkest days of prolonged incarceration and a woman surrounded by the brightest lights imaginable. Shocked by his long sentence, Alex protested his innocence and railed against the system, often from solitary confinement - whilst Fiona Fullerton roamed the world, a celebrity nomad. Dear Fiona is the true story of how two people from social extremes forged a 30 year bond of friendship. It also tells of how they came to rely on each other and the author's search for him after he disappeared. 'Have you ever heard of Nadejda Philaretovna von Meck? She and Tchaikovsky were corresponding for years, they never met - and yet he produced his finest work for her. My finest work shall be for you... It is you alone who has given me strength while I have been in prison, the strength to restore lost and dying hope into burning resolution'. 'Yes, the bond between us will get stronger, Alex. It will never die now. I'll always be here when you need me. I need you too...' Reviews 'Wonderful, fascinating, fantastic' Aled Jones, Good Morning Sunday, BBC Radio 2. 'Poignant, tender and informative, Dear Fiona: Letters from a suspected Soviet Spy is a wonderful collection of letters between two people who, through the power of words, set out to make life that little bit more bearable when darkness called. A powerful and engaging narrative helps showcase the immeasurable talent Alex Alexandrowicz is' www.MiloRambles.com

'Compelling, gripping, moving, insightful' Erwin James, Guardian correspondent. 'Makes for compulsive reading' Edward Fitzgerald CBE QC 'A very moving book' John Hostettler

Sherlock Holmes Short Stories - Arthur Conan Doyle 2018-12-15

Curated new collections. The fascination with Conan Doyle's enigmatic anti-hero Sherlock Holmes, and his pompous narrator Dr Watson, has barely subsided over the years. Inspiring a long line of detective stories and Whodunnits, Holmes is a constant feature on TV, and movie screens, with new audio and radio shows joining the frenzy. The Holmes tales have earned their place amongst the most influential of popular fantasy, crime and gothic stories.

Nefarious Crimes, Contested Justice - Joanne M. Ferraro 2008-12

Nefarious Crimes, Contested Justice also traces shifting attitudes toward illegitimacy and paternity from the late sixteenth through the eighteenth centuries. Both the Catholic Church and the Republic of Venice tried to enforce moral discipline and regulate sex and reproduction. Unmarried pregnant women were increasingly stigmatized for engaging in sex. Their claims for damages because of seduction or rape were largely unproven, and the priests and laymen that they were involved with were often acquitted of any wrongdoing. The lack of institutional support for single motherhood and the exculpation of fathers frequently led to abortion, infant abandonment, or even infant death.

Business Adventures - John Brooks 2014-07-08

"Business Adventures remains the best business book I've ever read."
—Bill Gates, The Wall Street Journal
What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety; these notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. Longtime New Yorker contributor John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history repeats itself. Five additional stories on equally fascinating subjects round out this wonderful collection that will both entertain and inform readers . . . Business Adventures is truly financial journalism at its liveliest and best.

Shrek 2 - 2004

Fast Food Nation - Eric Schlosser 2012

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Journey to the West - Janet Hardy-Gould 2014-03-27

Four-level graded readers series, perfect for reading practice and language skills development at upper-primary and lower-secondary levels. Dominoes is a full-colour, interactive readers series that offers students a fun reading experience while building their language skills. With integrated activities, an interactive MultiROM, and exciting, fully dramatized audio for every story, the new edition of the series makes reading motivating for students while making it easy for you to develop their reading and language skills.

The Real McCoy and Other Ghost Stories - Lesley Thompson 2009-12-10

Are you scared, Gordon?' asks Heather. Four friends talk of ghosts in a hotel in Scotland. That night Gordon sees and hears something strange in his room. But is it really the ghost of Lord McCoy? These six stories tell of ghosts - friendly, sad, and bad - from Britain, Australia, New Zealand, America - and Egypt!

Saving Private Ryan - Max Allan Collins 2001

The epic story of a world at war - and a life worth fighting for. June 6, 1944. Military forces converge on the beaches of Normandy for one of

the most decisive battles of World War II. America would call it a victory. History would call it D-Day. For Captain John Miller and his squad, this day would become much more. Washington has sent them on a mission. One paratrooper missing in action. One soldier who has already lost three brothers in the war. They quickly realise this is not a simple rescue operation. It's a test of their honor and their duty.

Word Searches For Dummies - Denise Sutherland 2009-05-11

A travel-friendly puzzle-packed book that keeps the brain in shape One of the best ways to exercise the mind is through word and logic games like word searches and Sudoku. Studies have shown that doing word searches frequently can help prevent diseases like Alzheimer's and dementia. Word Searches For Dummies is a great way to strengthen the mind and keep the brain active plus, it's just plain fun! Venice and Its Story - Thomas Okey 1903

The Thoughts of Blaise Pascal - Blaise Pascal 1885

Stem Cells: A Very Short Introduction - Jonathan Slack 2012-02-23

The topic of stem cells has been very high profile in the media in recent years. There is much public interest in stem cells but also much confusion and misinformation, with some companies already offering 'stem cell products' and bogus 'stem cell therapies'. In this Very Short Introduction, Jonathan Slack introduces stem cells; what they are, what scientists do with them, what stem cell therapies are available today, and how they might be used in future. Despite important advances, clinical applications of stem cells are still in their infancy. Most real stem cell therapy today is some form of bone marrow transplantation. Slack introduces stem cells by explaining the difference between embryonic stem cells, which exist only in laboratory cultures, and tissue-specific stem cells, which exist in our bodies. Embryonic stem cells can become any cell type in the body, so diseases that may in future be treated by functional cells derived from these sorts of stem cell include diabetes, Parkinson's disease, heart disease, and spinal trauma. He then goes on to discuss the properties of tissue-specific stem cells and the important technique of bone marrow transplantation. Slack concludes by analysing how medical innovation has occurred in this area in the past, and draws out some of the lessons for the development of new therapies in the future. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Curse of the Mummy - Joyce Hannam 2002-01-01

For thousand of years the dead body of the young king Tutankhamun slept under the sands of Egypt. Then, in the autumn of 1922, Howard Carter and his friends find and open his tomb door. These are exciting times, and Carter's young helper Tariq tells the story in his diary. But soon people begin to die. Who or what is the killer? Is Tutankhamun angry with them for opening his tomb? And who is the beautiful French girl with the face of Tutankhamun's long-dead wife?

Dick Sands, the Boy Captain - Jules Verne 2021-12-13

Could you be Captain of a whaling ship if all the crew around you died in a tragedy? Would you even want to? And what would you do if the cook on board has plans of his own and wants to kill you? This and much more is what poor fifteen year old Dick Sands has to deal with as the only surviving crew member. Everything seems to be going according to plan. That is until the cook sabotages the ship and rather than arriving in South America, the group ends up in Africa. The evil cook's plan is to sell everyone on board into slavery. Will they survive all the obstacles and unexpected occurrences or will they fall victims to the African slave trade? 'Dick Sands, the Boy Captain' is an adventure novel which not only keeps you on the edge until the very end, but it also depicts the widespread condemnation of slavery. Jules Verne (1828-1905) was a French novelist who mostly wrote adventure fiction inspired by the scientific advances of the 19th century. With the help of editor Pierre-Jules Hetzel he wrote a series of books called 'Extraordinary Travels', which includes 'Journey to the Center of the Earth' (1864), 'Twenty Thousand Leagues Under the Sea' (1870) and 'Around the World in Eighty Days' (1873). There have been many film adaptations of Jules Verne's books with the most notable being 'Journey to the Center of The Earth' (2008) starring Brendan Fraser and Josh Hutcherson (The Hunger Games), 'Around the World in 80 Days' (1956) and 'Journey 2: The Mysterious Island' (2012) starring Dwayne Johnson. Widely popular with both children and adults, Verne is one of the most translated authors of all time, and still inspires people the world over.

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR - ARNALD OF SARRANT 2013-09-26

The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church. The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader. Among these Sources, the Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum by Arnald of Sarrant merits particular attention. It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378, and therefore contains valuable information regarding the initial period of Franciscan history. Unfortunately it is not easily available in translation because of its voluminous nature. In fact, it covers a total of 712 pages of the third volume of Analecta Franciscana, published by the Franciscan editors of Quaracchi in 1897. Our aim has been that of embarking on the arduous task of translating this voluminous work of history into English from the original Latin. This translation is the fruit of three years of work, and we are now happy to present it to the general public. Because of its voluminous nature we intend to divide it into 5 sections, four of which cover the 575 pages of text and one the appendixes. The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods: (1) Saint Francis and the early Franciscan fraternity; (2) The

Generals from brother Elias as vicar (1227) to Saint Bonaventure (1274); (3) The Generals from Jerome of Ascoli (1274) to Michael of Cesena (1328); (4) The Generals from Gerard Eudes (1329) to Leonard of Giffoni (1378). A last section will be the translation of the appendixes. The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle. Our aim has been simply that of providing a readable translation, without pretending to be scholars of mediaeval Latin. We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies, and who we gratefully thank for their eventual advice and corrections

Five Canterbury Tales - Geoffrey Chaucer 2009-12-17

A retelling of five of Chaucer's classic tales in simplified language for new readers. Includes activities to enhance reading comprehension and improve vocabulary.

Nanny McPhee and the Big Bang - Emma Thompson 2010-04-05

Nanny McPhee embarks on a brand new adventure in this brilliant, funny and captivating novel based on the new Nanny McPhee film. The Green family is trying to survive the war in their house in the country, but unfortunately they are not out of harm's way. A wicked uncle is intent on getting his hands on the family fortune and the children miss their father who is away fighting who knows where, and then their horrible cousins arrive! Life is not easy in the Green household . . . Thank heavens for Nanny McPhee!

Mystery in Muscat - Julie Till 2011

'How long is she in Oman for?' 'Ten days. And then they want to take her back home.' 'Ah, yes. But she's not going back to London. They're never going to see her again!' Jamie and Taymour overhear this strange conversation near their homes in Muscat. Two men want to kill an important visitor, it seems. But who is the woman in danger? And what can the boys do to save her? Can they, their sisters Sarah and Nadine, and their Australian friend Ruth find the answer to the mystery?

Football Forever - Andrea Sarto 2016

Tino wants to be a famous football player, and now is his chance - he is playing in his first game for an important team! But not everyone wants to help him. His father won't come to watch him play. His team captain, Lenda, thinks he is a bad player. And what about the other team? Their captain is very big - and very mean! How will Tino do? What will happen to his friends, and his team? What will his family do? And who will win? Four-level graded readers series, perfect for reading practice and language skills development at upper-primary and lower-secondary levels. Dominoes is a full-colour, interactive readers series that offers students a fun reading experience while building their language skills. With integrated activities, an interactive MultiROM, and exciting, fully dramatized audio for every story, the new edition of the series makes reading motivating for students while making it easy for you to develop their reading and language skills.

The Diary of a Young Girl - Anne Frank 2017-12-29

-

In the Shadow of the Mountain Level 5 - Helen Naylor 1999-11-11

Modern, original fiction for learners of English. A tragic love story is uncovered as journalist Clare Crowe goes to Switzerland to bring home a relative's body. Clare's grandfather has been found frozen in a glacier, 74 years after a climbing accident. Clare knows this could make an interesting story for her newspaper, but as she investigates her grandfather's last climb, she learns that the accident wasn't as simple as she had first thought.

Sherlock Holmes - 2010

"He's an intelligent man. He was once rich and is now poor. His wife loved him once, but she doesn't love him now. And he's thirty or forty years old.' One look at an old hat, and Sherlock Holmes can tell you a lot about his owner. He sees - and thinks - a lot more than the people around him, and when a beautiful blue diamond disappears, Sherlock is the only man in London who can find it"--Back cover.
