Black Ops Ric Prado 2022-03-01 The Explosive National Bestseller A memoir by the highest-ranking covert warrior to lift the veil of secrecy and offer a glimpse into the shadow wars that America has fought since the Vietnam Era. Enrique Prado found himself in his first firefight at age seven. The son of a middle-class Cuban family caught in the midst of the Castro Revolution, his family fled their war-torn home for the hope of a better life in America. Fifty years later, the Cuban refugee retired from the Central Intelligence Agency as the CIA equivalent of a two-star general. Black Ops is the story of Ric’s legendary career that spanned two eras, the Cold War and the Age of Terrorism. Operating in the shadows, Ric and his fellow CIA officers fought a little-seen and virtually unknown war to keep USA safe from those who would do it harm. After duty stations in Central, South America, and the Philippines, Black Ops follows Ric into the highest echelons of the CIA’s headquarters at Langley, Virginia. In late 1995, he became Deputy Chief of Station and co-founding member of the Bin Laden Task Force. Three years later, after serving as head of Korean Operations, Ric took on one of the most dangerous missions of his career: to re-establish a once-abandoned CIA station inside a hostile nation long since considered a front line of the fight against Islamic terrorism. He and his team carried out covert operations and developed assets that proved pivotal in the coming War on Terror. A harrowing memoir of life in the shadowy world of assassins, terrorists, spies and revolutionaries, Black Ops is a testament to the courage, creativity and dedication of the Agency’s Special Activities Group and its elite shadow warriors. *Second Coming* Rick And Alice Valentine 2011-04-01 Jay, your average stoner from Portland Oregon, finds out when he's twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren't for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he's a normal kid. Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the world. **Rogue Knight** Brandon Mull 2014-11-18 When the hunt for his lost friends leads Cole Randolph to the kingdom of Elloweer, he and new friends Mira, Twitch, and Jace team up with the resistance movement to search for Mira’s sister, Honor, but enemies abound and Cole and Mira must use a new kindof magic to protect themselves. *Graceling* Kristin Cashore 2008 In a world where some people are born with extreme and often-feared skills called Graces, Katsa struggles for redemption from her Grace of killing, and teams up with another young fighter to save their land from a corrupt king.

The Sasquatch Escape Suzanne Selfors 2013-04-02 When Ben Silverstein is sent to the rundown town of Buttonville to spend the summer with his grandfather, he’s certain it will be the most boring vacation ever. That is, until his grandfather’s cat brings home what looks like . . . a baby dragon? Amazed, Ben enlists the help of Pearl Petal, a local girl with an eye for adventure. They take the wounded dragon to the only veterinarian’s office in town -- Dr. Woo’s Worm Hospital. But as Ben and Pearl discover once they are inside, Dr. Woo’s isn’t a worm hospital at all -- it’s actually a secret hospital for imaginary creatures. After Ben accidentally leaves the hospital’s front door unlocked, a rather large, rather stinky, andvery hairy beast escapes into Buttonville. Ben and Pearl are tasked with retrieving the runaway creature, and what started out as an ordinary summer becomes the story of a lifetime. Suzanne Selfors delivers a wild journey filled with mythical creatures and zany adventures that are anything but imaginary. This book includes bonus writing, art, and science activities that will help readers discover more about the mythological creatures featured in The Sasquatch Escape. These activities are designed for the home and the classroom. Enjoy doing them on your own or with friends!

Over the Deep Samantha Wilcoxson 2015-02-19 Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce Ismay, and Captain Smith. Along the way, he also learns secrets about his own family’s past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

Wolfish Stew Suzi Moore 2016-05-19 There once was a rabbit, his name was Grey he went to the woods to pick berries one day . . . Grey, the hero of our story, has heard stories about Blue; a stinky mean old wolf who wants to eat little Grey in his Wolfish Stew. So, to keep from being caught Grey sticks to the path, he stays on the trail, and he always ALWAYS looks out for the big bushy tail... But what’s that?! Wolfish knees... a Wolfish snout...? Oh, please, Grey! Please watch out! A brilliantly funny and energetic story with a deliciously unexpected outcome. For fans of The Gruffalo.

The Lonely Lake Monster Suzanne Selfors 2013-09-17 Pearl Petal and Ben Silverstein can’t wait for their first official day as apprentices to Dr Woo, veterinarian for imaginary creatures. That is, until they are tasked with clipping the bigfoot’s big toenails. Gross! Then Pearl spots a lake monster in the water behind the hospital. Even though they’ve been told not to leave the building for any reason, Pearl and Ben set off for a closer look. But when Ben is captured by the creature and held hostage in the middle of the lake, it’s up to Pearl to hatch a rescue mission. Will she save the day, or cement her reputation as town troublemaker?

The Seeds of New Earth (the Silent Earth, Book 2) Mark R. Healy 2014-12-17 The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. *The Silent Earth Series Book 1 - After the Winter:* amazon.com/dp/B00P02FBPM

The Rain Dragon Rescue Suzanne Selfors 2014-01-28 Someone or something is stealing from the peaceful residents of Buttonville. But is the thief from the real world...or the imaginary one? Ben and Pearl are about to find out. When they report for duty at Dr. Woo’s, Mr. Tabby hands them a bucket and a shovel -- for the collection and proper disposal of dragon droppings -- and directs the apprentices to the hospital’s roof. Soon, they come face-to-snout with the dragon that lives there and find a pile of proof that he is the thief. Before Ben and Pearl can persuade the dragon to stop stealing, an emergency call comes in from the Imaginary World. The rain dragon has been injured! But with Dr. Woo out of town and Mr. Tabby busy with percolating pixies, time is running out. Will Ben and Pearl finally get a chance to travel to the Imaginary World? Even if it means breaking Dr. Woo’s rules? Even if it means they might never come back? Suzanne Selfors delivers a wild journey filled with mythical creatures and zany adventures that are anything but imaginary. This book includes bonus writing, art, and science activities that will help readers discover more about the mythological creatures featured in The Rain Dragon Rescue. These activities are designed for the home and the classroom. Enjoy doing them on your own or with friends!

A Bound Heart Laura Frantz 2019-01-01 Though Magnus Macleish and Lark MacDougall grew up on the same castle grounds, Magnus is now laird of the great house and the Isle of Kerrera. Lark is but the keeper of his bees and the woman he is hoping will provide a tincture that might help his ailing wife conceive and bear him an heir. But when his wife dies suddenly, Magnus and Lark find themselves caught up in a whirlwind of accusations, expelled from their beloved island, and sold as indentured servants across the Atlantic. Yet even when all hope seems dashed against the rocky coastline of the Virginia colony, it may be that in this New World the two of them could make a new beginning--together. Laura Frantz’s prose sparkles with authenticity and deep feeling as she digs into her own family history to share this breathless tale of love, exile, and courage in Colonial America.

The Book of Not Entirely Useful Advice A.F. Harrold 2021-03-23 From acclaimed writer A.F. Harrold comes a riotous poetry collection that encourages readers to think critically--perfect for fans of Shel Silverstein! Packed with silly rhymes and witty wordplay, A.F. Harrold’s poetry is positively bursting with fun--and advice. But it’s not always the most useful. . . Never apologize to a door you’ve walked into, unless it’s a really special door. Don’t serve a cat soup when the cat wants jelly. Tomato soup won’t fill a feline belly. Don’t put a rock in a roll, unless you hate having teeth. Among the seemingly nonsensical stanzas on onions, sausages, and kilted koalas are exercises in critical thinking--what advice should readers follow, and what should they dismiss? Harrold’s short, clever poems work seamlessly alongside Mini Grey’s vibrant art to create visual gags that will have readers in stitches. Both silly and poignant, this book is perfect for curious readers, poets, and cabbages everywhere!

When Tomas discovers a strange old tree at the bottom of his grandfather’s garden, he doesn’t think much of it. But he takes the funny fruit from the tree back into the house and gets the shock of his life when a tiny dragon hatches! The tree is a dragon fruit tree, and Tomas now has his very own dragon, Flicker! While Tomas finds out that life with Flicker is fun, he also finds that it is very...unpredictable. Yes, dragons are wonderful, but they also set fire to your toothbrush and leave your underwear hanging from the TV antenna. Tomas has to learn how to look after Flicker--and quickly! And then something extraordinary happens: More dragon fruits appear on the tree! Now it's official, Tomas is growing dragons.

Kid Normal and the Rogue Heroes Greg James 2019-09-10 “Should appeal to readers who enjoy the Captain Underpants and WimpY Kid series.” - School Library Connection on Kid Normal Since becoming Kid Normal, Murph Cooper and the Super Zeroes – fellow students with arguably less-than-useful talents like the ability to conjure tiny horses from thin air – have been catching bad guys all over the place. But being a hero isn't easy, especially when you can't tell anyone about your epic adventures and your classmates still don't believe you've got what it takes. And then, far away in a top-secret prison, the world's most feared supervillain breaks his thirty-year silence. His first words? “Bring Kid Normal to me!” This supervillain was responsible for stealing the powers from some of the greatest Heroes Alliance members of all time. Does Murph have what it takes to bring him down? With black-and-white illustrations throughout, this laugh-out-loud story proves that heroes come in all shapes and sizes.

The Feros Wesley King 2013-06-27 The high-octane sequel to *The Vindico*, for superhero fans everywhere! After using their new superpowers to defeat their evil mentors, James, Hayden, Sam, Emily, and Lana are ready to join the League of Heroes. But as their induction into the League draws near, they are framed by a group of rogue Heroes and given life sentences on the Perch, and the only one who can clear their names is missing. Unsure of who to trust or where to turn, the teens’ new skills are further put to the test when a group of strange Shadow people start trailing their every move and the Vindico, their group of evil mentors, are let out of prison.

Almost Home Valerie Fraser Luesse 2019-03-05 With America’s entrance into the Second World War, the town of Blackberry Springs, Alabama, has exploded virtually overnight. Workers from all over are coming south for jobs in Uncle Sam’s munitions plants--and they’re bringing their pasts with them, right into Dolly Chandler’s grand but fading family home turned boardinghouse. An estranged young couple from the Midwest, unemployed professors from Chicago, a widower from Mississippi, a shattered young veteran struggling to heal from the war--they’re all hoping Dolly’s house will help them find their way back to the lives they left behind. But the house has a past of its own. When tragedy strikes, Dolly’s only hope will be the circle of friends under her roof and their ability to discover the truth about what happened to a young bride who lived there a century before. Award-winning and bestselling author Valerie Fraser Luesse breathes life into a cast of unforgettable characters in this complex and compassionate story of hurt and healing.

The Ocada Chronicles Book 1 Paladin Daniel Oconnell 2010-11-15 I was thirteen years old when I originally thought of the story, and have written and rewritten it more times than I can count. But six years ago, I met my wife a Filipina from Manila, and there I discovered the wonderful and gracious people of the Philippines. After realizing I would have children of mixed racial birth. I decided I wanted to give them a hero to look up to from their own culture. I then re-did all nine books; this time the racial, religious and cultural differences gave the book a more defined nature, one of which I was proud. I had given up long ago on trying to get an agent or a publisher to take interest in my book, but that was never my goal. My goal was to give my children a hero of their own heritage, and to inspire them. Win or Lose, they win. The Year is 2079 and the earth has recently been discovered by a ruthless alien race known as the T-Challa. Their plan is to enslave the population and to strip the earth of all its resources to maintain and expand their vast empire. However the earth is not without hope, another alien race called the X'ena's have sent a symbiotic probe to earth to help defend her from the T-Challa. The Probe which takes the name Paladin merges with a human named Caleb Ocada as well as an ancient battleship from a century ago and transforms both into a force to protect the earth. Caleb then man's his ship with the best the earth has to offer as they go out and defend the earth successfully defeating the small fleet sent by the T-Challa. Unfortunately the ship suffers damage and it affects Caleb wounding him, it is quickly discovered that Caleb is dying and with him the mighty ship named Paladin, the only defense of earth. After searching all possible answers to save himself and protect the earth, Caleb decides to find the X'ena to see if they can cure him before his death, but time is short and the single ship must travel through the heart of the T-Challa Empire to find the X'ena and save Caleb. Will they succeed?

Thalidomide Kid Kate Rigby 2018-05-20 Meet Daryl, a survivor of the Thalidomide tragedy who calls himself Thalidomide Kid. Meet Celia, the new girl at Lewis Lane Primary School and daughter of the deputy headmaster of the local comprehensive school. Together they form an alliance and a special friendship is born. But who is Stephen Arundel and what does he want? A bittersweet story about young love and emerging sexuality. Set in 1970s Cirencester, the story deals with themes and issues that are timeless.

A World Without Heroes Brandon Mull 2012-02-14 Fourteen-year-old Jason Walker is transported to a strange world called Lyrian, where he joins Rachel, who was also drawn there from our world, and a few rebels, to piece together the Word that can destroy the malicious wizard emperor, Surroth.

HyperKid v BullBorg Emerson Daub 2016-06-01 Morgan Wallace is a smart nine year old comic book kid whose hyperactivity makes it difficult for him to stay focused in school and sometimes makes him feel self-conscious about being different. Then one night during the summer before fourth grade, something happens that would cause him to find out what it is like to really be different: the rays of a meteor shower transform him into a cyborg with superpowers. When the family doctor is unable to help turn him back into a normal nine year old kid, Morgan convinces his parents to let him use his new powers as a super hero named HyperKid. During the first day of school, his primary mission immediately becomes clear: to defend the kids of West Plains Elementary from Brian Bullini, the new kid in school who also has cyborg superpowers and would become HyperKid's arch rival, BullBorg. The two quickly commence battling each other on the playground during recess and after school, but they would soon realize that they have more in common than being cyborgs, and their rivalry eventually becomes a powerful friendship. With a cast of humorous characters and hilarious scenes, HyperKid v BullBorg is ultimately an inspiring story about rising above personal obstacles and the loneliness that often accompanies the feeling of being different. It is also a story about friendship and understanding that stems from the recognition that two individuals who come from seemingly different worlds have more in common than not. *AniMalcolm* David Baddiel 2016-09-29 From David Baddiel, the brightest new star of children’s books and winner of the LOLLIES award, comes a laugh-out-loud adventure for every child who ever wondered what it might be like to be a bit of an animal...

The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisyis of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullsh!t and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Eternal Frontier David H. Schmitz 2002-09-01 Space Man Earth's colonists have spread throughout the cosmos, and have almost divided into two separate species. One is the Swimmers, who have adapted to living in zero-gravity, and regard themselves as the next step in evolution, and those who prefer to live on the surface of a planet as little better than apes. The latter group, the Walkers, are not about to say farewell to the planets they grew up on, and think the Swimmers are not so much advanced as deranged. Crowell, born a Swimmer but now a Walker by choice, is caught in the middle as the two sides seem headed for war. Then he discovers the true cause of the altercation: a hidden alien race moving behind the scenes to provoke a war so that they can pick up the pieces after the two sides have obliterated each other. And if Crowell cannot head off the war and convince both sides of the existence of the real enemy, both branches of the human race may be headed for untimely extinction. This full-length novel and much more, fill a huge volume from the master of science fiction adventure. At the publisher's request, this title is sold without DRM (Digital Rights Management). "Much has been made of the 'sense of wonder' that science fiction evokes, and believe me, there was nothing to evoke that sense quite like the worlds of James Schmitz. . . . Thank you, James Schmitz, wherever you are. And thank you, Eric Flint and Jim Baen, for bringing his Right Stuff back again." ¼Mercedes Lackey "Take my advice and buy TWO copies of this book! You'll want to lend it to friends and (trust me on this: I have years of experience to back up the observation) once people get their hands on a Schmitz book, they don't let go!" ¼ Janet Kagan, Hugo-winner and author of Uhura's Song

Heroes Are My Weakness Susan Elizabeth Phillips 2014-08-26 New York Times bestselling author Susan Elizabeth Phillips is back with a delightful novel filled with her sassy wit and dazzling charm. He’s a reclusive writer whose imagination creates chilling horror novels. She’s a down-on-her-luck actress reduced to staging kids’ puppet shows. He knows a dozen ways to kill his characters with his bare hands. She knows a dozen ways to kill an audience with laughs. But she’s not laughing now. Annie Hewitt has arrived on Peregrine Island in the middle of a snowstorm and at the end of her resources. She’s broke, dispirited, but not quite ready to give up. Her red suitcases hold the puppets she uses to make her living: sensible Dilly, spunky Scamp, and Leo, the baddest of bad guys. Her puppets, the romantic novels she loves, and a little bit of courage are all she has left. Annie couldn’t be more ill prepared for what she finds when she reaches Moonraker Cottage or for the man who dwells in Harp House, the mysterious mansion that hovers above the

cottage. When she was a teenager, he betrayed her in a way she can never forget or forgive. Now they're trapped together on a frozen island along with a lonely widow, a mute little girl, and townspeople who don't know how to mind their own business. Is he the villain she remembers, or has he changed? Her head says no. Her heart says yes. It's going to be a long, hot winter.

Monster Club: Hunters for Hire Gavin Brown 2019-07-30 A trio of friends set out to catch monsters and foil a nefarious plot in this hilarious adventure by Josh Baxter Levels Up author Gavin Brown. There is only one thing seventh graders Tommy Wainwright, Colleen "Spike" Hernandez, and Karin Khalil want to do -- go on adventures and catch monsters! And in a world where monsters -- big and small -- roam, someone has to keep these creatures in check, right? Luckily, this is the iPhone era, and that means anyone can use the brand-new app, AppVenture ("It's like Uber for monster-slaying!"), to hire their very own adventurer to stop the beasts. So when Tommy, Spike, and Karim find a way to become registered "Independent Adventure Contractors" for the new app, they couldn't be more thrilled. At first, being full-fledged adventurers is a blast. But when the trio embark on their second quest, they stumble upon a secret: It seems AppVenture has been releasing monsters into the wild in order to generate more business. Now the three friends find themselves on the run from a venture-backed startup that will do anything to make sure our heroes don't live to reveal the truth...

The Spy and the Traitor Ben Macintyre 2018-09-18 NEW YORK TIMES BESTSELLER • The celebrated author of Double Cross and Rogue Heroes returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. "The best true spy story I have ever read."—JOHN LE CARRÉ Named a Best Book of the Year by The Economist • Shortlisted for the Bailie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John Le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.
