Calling Things That Are Not Charles Capps 2016-03-01 The principle of calling things that are not as though they were is the spiritual principle through which everything physical becomes manifest. God created the light by calling for "light" when only darkness was there. Jesus used this same method, calling the lepers clean, and the dead to life, and peace to the storm. You must call for what you desire. if you want your dog to come, you call the dog, not the cat. You call for what is not there. Whatever you call in the natural will come. Call what does not exist and continue to call until it manifests.

House of Kwa Mimi Kwa 2021-06-01 Wild Swans meets Educated in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthrals like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating,

gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

Blueprint for Black Power Amos N. Wilson 1998 Afrikan life into the coming millennia is imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biologial destiny. 'Blueprint for Black Power' details a master plan for the power revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century ... Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality. Hard Bop Academy Alan Goldsher 2002 Art Blakey and the Jazz Messengers was one of the most enduring, popular, reliable and vital small bands in modern jazz history. Blakey was not only a distinguished, inventive and powerful drummer, but along with Duke Ellington and Miles Davis, he was one of jazz's foremost talent scouts.

The musicians who flowed seamlessly in and out of this constantly evolving collective during its 36-year run were among the most important artists not just of their eras, but of any era. Though their respective innovations were vital to the evolution of bebop, hard bop and neo bop, the recorded work of the Messengers sidemen has never been properly analyzed. Until now. Hard Bop Academy: The Sidemen of Art Blakey's Jazz Messengers critically examines the multitude of gifted artists who populated the many editions of the Jazz Messengers. In addition to dissecting the sidemen's most consequential work with Blakey's band, jazz musician and acclaimed novelist Alan Goldsher offers up engaging profiles of everyone from Wynton Marsalis to Terence Blanchard to Hank Mobley to Wayne Shorter to Horace Silver to Keith Jarrett to Curtis Fuller to Steve Davis. And that's only the beginning. Goldsher conducted over 30 interviews with surviving graduates of Blakey's Hard Bop Academy, many of whom spoke at length of their tenure with the legendary "Buhaina" for the first time. Alan Goldsher is a bassist who has recorded with Janet Jackson, Digable Planets, Cypress Hill and Naughty By Nature. His writing has been published in Bass Player, Tower Pulse, Sport and BasketBull: Chicago Bulls Magazine. Goldsher's debut novel, Jam, was published in 2002 by Permanent Press. He lives in Chicago. Hardcover.
