[Electricity Regulation In the US: A Guide - Regulatory ...](#)

he original 2011 edition of Electricity Regulation in the US: A Guide has proven to be a handy reference for many people in the field. It was designed to be an introduction for the newly appointed regulatory commissioner, the first-time rate case participant, or the newly hired regulatory analyst. We think it has served that function well. This ...

[Chapter 12: Property and Appraisal Requirements - USDA ...](#)

of the solar panels cannot be a loss payee on the homeowner's insurance policy. o If a lease includes payment for equipment it should be considered a debt and included in the total debt ratio. See Chapter 11 for additional guidance. o Leased solar panels are considered personal property and are not included in the appraised value.
