**The Mamba Mentality** - Kobe Bryant 2018-10-23

The Mamba Mentality: How I Play is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe “The Black Mamba” Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They'll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant's detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant's very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant's narrative and Bernstein's photos make The Mamba Mentality an unprecedented look behind the curtain at the career of one of the world's most celebrated and fascinating athletes.

**The Scribner Encyclopedia of American Lives** - Arnie Markoe 2002

Contains biographies of active and retired athletes, living or dead, plus media personalities, coaches, and administrators.

The memoirs of the legendary Hall of Fame football coach—newly updated to include Levy's recent turn as the Bill's General Manager.

*Chasin' Jason* - Jane Chambers 1987

[The Best Show in Football](#) - Andy Piascik 2010-10-16

For ten years the Cleveland Browns compiled a better record and won more championships than any team in pro football history. In their first game they set an all-time attendance record and consistently drew the largest crowds of the post-World War II era. They dominated an upstart league and then silenced their detractors by doing the same to the NFL. The Browns were led by Paul Brown, a football visionary who

changed pro football. Most important among his innovations was the leading role the franchise played in the integration of pro sports. While much of their competition continued with the racial exclusion of the past, the Browns featured some of the greatest black players of all-time, men who were an integral part of the Cleveland dynasty. The Best Show in Football: The 1946-1955 Cleveland Browns, Pro Football's Greatest Dynasty tells the story of those players and that dynasty. Included in that story is the construction of the Browns as well as accounts of the team's many victories. Dozens of interviews bring to life the exploits of Otto Graham, Bill Willis, Marion Motley, Lou Groza, Mac Speedie, Len Ford, Dante Lavelli, Frank Gatski, and so many others. In rich detail, The Best Show in Football demonstrates why Cleveland's dynasty was the greatest ever, greater even than several teams that are usually accorded that honor. The conclusions may be surprising but the evidence is all here. And along the way author Andy Piascik provides a wonderful trip back to football's golden age.

**The Sporting News** - 1980

*The Phi Gamma Delta* - 1919

**Special Delivery** - Clay Latimer 1999-01-01

When Karl Malone arrived in Salt Lake City in 1985, he couldn't make a free throw, hit a jumper or decipher a game plan. According to his plentiful critics, he lacked the emotional resources and ruthlessness to make himself over into a first-rank power forward.

**Born to Hit** - Gib Twyman 1982

A biography of baseball player George Brett, who in 1980 was called the best hitter in the game.

[Tales from the North Carolina Tar Heels Locker Room](#) - Rappoport Ken 2018-03-20

Ken Rappoport's Tales from the North Carolina Tar Heels Locker Room is a compilation of the best notes, quotes, and anecdotes from North Carolina lore. Meet a coach nicknamed “Bloody Neck,” a player called “The Blind Bomber,” and a team known as the “White Phantoms.” And, of course, there is the extraordinary Michael Jordan. Tales from the North Carolina Tar Heels Locker Room captures the anecdotes and memories that have defined this team from the early twentieth century up through their incredible success in the 2000s and beyond. A must-have for any Tar Heels fan!

*Don't Put Me In, Coach* - Mark Titus 2013-03-12

An irreverent critique of big-time NCAA basketball by the author of the popular Club Trillion blog describes how his ambition to become a doctor was sidelined so that that he could join the elite Buckeyes in spite of his lesser talents, which rendered him perpetually benched and ironically scouted by the Harlem Globetrotters.

**Basketball** - David L. Porter 2005

Presents 577 biographical entries on the lives and careers of individuals important to the history of

basketball, from its origins to the present.

*Basketball in America* - Bob Batchelor 2005

A pioneering analysis of the history of basketball & its effect on popular culture from the 1970s until the present day, this book is aimed at sports fans & academics alike.

*Memories* - Theresa Douglas 2021-08-04

The author explains her life is full of good times and bad times, and how God and family and friends got her through the struggle. She mentions how it felt being the baby girl of the family and becoming a single mom. She lived in a house of six children with a mom and dad who worked hard all their lives to put food on the table. Her parents always stressed to her brothers and sister how important it was to work and save for the future. She believes that writing this book made her realize that life is not always easy. However, putting things on paper gave her an opportunity to keep it real. She hopes this book would encourage others to begin to learn how to love, live, and forgive again.

**Resources in Education** - 1998

*The View from the Dugout* - William M Anderson 2009-06-26

"Somewhere, if they haven't been destroyed, there are hundreds of pages of typewritten notes about American League players of that era, notes which I would love to get my hands on." -Bill James, in The New Bill James Historical Baseball Abstract, on the journals of Red Rolfe "Red Rolfe's journal for his years as manager of the Detroit Tigers is the kind of precious source researchers yearn for. In combination with William M. Anderson's well-done text, The View from the Dugout will be of great interest to general readers and of immense value to students of baseball history." -Charles C. Alexander, author of Breaking the Slump: Baseball in the Depression Era "Red Rolfe was one of baseball's most astute observers. This is 'inside' baseball from the inside." -Donald Honig, author of Baseball America, Baseball When the Grass Was Real, and other books in the Donald Honig Best Players of All Time series "In his lucid journals Red Rolfe has provided an inside look at how an intelligent baseball manager thinks and prepares." -Ray Robinson, Yankee historian and author of Iron Horse: Lou Gehrig in His Time Baseball players as a rule aren't known for documenting their experiences on the diamond. Red Rolfe, however, during his time as manager of the Detroit Tigers from 1949 to 1952, recorded daily accounts of each game, including candid observations about his team's performance. He used these observations to coach his players and to gain an advantage by recording strengths, weaknesses, and tendencies of opposing players and managers. Rolfe's journals carry added value considering his own career as an All-Star Yankee third baseman on numerous world champion teams, where he was a teammate of Lou Gehrig and Joe DiMaggio. Today, in the era of televised broadcasts, networks often wire a manager so that viewers can listen to his spontaneous comments throughout the game. Red Rolfe's journals offer an opportunity to find out what a manager is thinking when no one is around to hear. William M. Anderson is Director of the Department of History, Arts and Libraries for the State of Michigan. His books include The Detroit Tigers: A Pictorial Celebration of the Greatest Players and Moments in Tigers' History.

*The Great Nowitzki: Basketball and the Meaning of Life* - Thomas Pletzinger 2022-03-15

A journey into the mindset of a historic basketball superstar, and the importance of his landmark career.

The seven-foot Dirk Nowitzki is one of the greatest players in basketball history. The Dallas Maverick's legend revolutionized the sport, redefining the role of the big man in the modern game. Dirk moved differently: flexible and fast, confident and in control. He thought differently, too. On the court, his shots were masterful—none more venerated than his signature one-legged flamingo fadeaway, a move that lives on in the repertoire of today's most skilled NBA players. How did this lanky kid from the German suburbs become an all-time top ten scorer and NBA champion? How can a superstar stay so humble? Award-winning novelist and sportswriter Thomas Pletzinger spent over seven years traveling with Nowitzki. He witnessed Dirk's summer workouts, involving fingertip pushups and the study of the physics, and spent days discussing literature and philosophy with Holger Geschwindner, Dirk's enigmatic mentor and coach. Watching Nowitzki in empty gyms and in packed arenas with 30,000 fans, Pletzinger began to understand how Dirk and Holger's philosophical insights on performance, creativity, and freedom enabled his success and longevity. The Great Nowitzki tells Dirk's dramatic story like never before. Pletzinger describes Dirk's youth in small-town Germany, follows the steep learning curve of Dirk's early seasons, the devastating Finals loss to the Miami Heat, and the triumphant championship five years later. Traveling with Dirk in his final seasons, Pletzinger immerses himself in the community of people impacted by Nowitzki's game, interviewing everyone from average fans in Dallas and security guards at the arena to front office executives and Hall of Fame teammates, who reflect on what Dirk's career means to the next generation of ballplayers. And to the game itself. A masterpiece of sports writing that reads like a novel, The Great Nowitzki brims with a fan's passion. Pletzinger shows how strongly basketball influences our imagination and the extraordinary journey an icon like Dirk Nowitzki must take to reach the pinnacle of the game.

*New York Magazine* - 1989-02-06

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. *Basketball Records* - Thomas K. Adamson 2018-01-01

Swish! Stephen Curry has just made a record-breaking 3-point shot. This moment cements his place as a basketball legend! Unbelievable basketball records are on display in this exciting title for young readers. The book explores favorite teams and players who dribbled their way into stardom by scoring points, making passes, and more!

*The Sega Mega Drive & Genesis Encyclopedia* - Chris Scullion 2021-12-08

The third book in Chris Scullion's series of video game encyclopaedias, the Sega Mega Drive and Genesis Encyclopedia is dedicated to Sega's legendary 16-bit video game console. The book contains detailed information on every single game released for the Sega Mega Drive and Genesis in the west, as well as similarly thorough bonus sections covering every game released for its add-ons, the Mega CD and 32X. With nearly a thousand screenshots, generous helpings of bonus trivia and charmingly bad jokes, the Sega Mega Drive and Genesis Encyclopedia is the definitive guide to a legendary gaming system.

**Dwyane** - Dwyane Wade 2021-11-16

The long-awaited photographic memoir from basketball superstar Dwyane Wade, beautifully designed with hundreds of photos from Wade's life on and off the court. "[A] trip down memory lane with one of the NBA's greats. ... For those yearning for the personal side of Wade, they need to look no further." —Sports Illustrated For 16 years, Dwyane Wade has dazzled basketball fans with his on-court artistry and has built his personal brand into one of the most powerful ones in sports. In this beautiful full-color memoir, featuring more than 200 photos from Bob Metelus, who has been documenting Wade's career for more than a decade, Wade takes readers inside his fascinating life and career. Dwyane moves from Wade's challenging upbringing on the South Side of Chicago through his college career at Marquette, where he went from unheralded recruit to one of college basketball's greatest stars, to his extraordinary years with the Miami Heat, with whom he won three NBA championships and was named an All-Star 13 times. Off the court, too, his star has transcended basketball. In Dwyane he takes readers inside his relationship with Gabrielle Union; his dedication to his children and experiences as a father; and his varied interests outside

of basketball, from fashion to winemaking. Dwyane is a deep dive into the mind and heart of one of the most compelling basketball players of all time.

*Honorable Warrior* - Lewis Sorley 1998

A man of extraordinary inner strength and patriotic devotion, General Harold K. Johnson was a soldier's officer, loved by his men and admired by his peers for his leadership, courage, and moral convictions. Lewis Sorley's biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ's Army Chief of Staff during the Vietnam War. A native of North Dakota, Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War, for which he was awarded the Distinguished Service Cross for "extraordinary heroism." The latter experiences led to a series of high-level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine. What followed should have been the most rewarding period of Johnson's military career. Instead, it proved to be a nightmare, as he quickly became mired in the politics and ordeal of a very misguided war. Johnson fundamentally disagreed with the three men—LBJ, Secretary of Defense Robert McNamara, and General William Westmoreland—running our war in Vietnam. He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves. He was equally despondent over Westmoreland's now infamous search-and-destroy tactics and reliance on body counts to measure success in Vietnam. By contrast, he advocated greater emphasis on cutting the North's supply lines, helping the South Vietnamese provide for their own internal defenses, and sustaining a truly legitimate government in the South. Unheeded, he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war. Sorley's study adds immeasurably to our understanding of the Vietnam War. It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K. Johnson. As such, it presents a profound morality tale for our own era.

**Ripples in Opperman's Pond** - Doug Zipes 2013-03-29

Identical twins Dorian and Daniel Sloane grow up inseparable, sharing the same tubes of toothpaste as children and their lives as adults. Loyalty proven many times, they have been saving each other since the day Dorian rescued Daniel from drowning in Opperman's Pond. Now, with Dorian as head of a multinational pharmaceutical company and Daniel as an innovative cardiologist volunteering in Africa, the brothers come together once again. A devastating midair collision on the basketball court during a Celtics/Pacers game sets falling dominoes in motion. After NBA legend Randy Jackson sustains a career-changing ankle injury, Daniel and Dorian partner together to try and heal him. A brilliant chemist has created a miracle arthritis drug that they hope will cure the star and also save Dorian's pharmaceutical company teetering on the verge of bankruptcy. Celebrations ensue when the Pacers' star returns to full glory—and then tragedy suddenly strikes during a casual pickup game, threatening to destroy Daniel's career as he faces a devastating malpractice suit, the possible loss of his medical license, and even a voodoo curse. In this high-stakes thriller set in the world of big-money medicine, a chain of unanticipated events culminates in a life-or-death decision two brothers never thought they would have to make.

Martha's Vineyard Basketball - Bijan C. Bayne 2015-03-19

Martha's Vineyard Basketball: How a Resort League Defied Notions of Race and Class follows the rich history of basketball on the Island and tells the stories of the players and coaches themselves.

**Confessions of a Spoilsport** - William C. Dowling 2007

The author recounts his failed efforts, along with other professors, students and alumni, to get Rutgers University out of the National Collegiate Athletic Association Division I-A during the mid-1990s, maintaining the colleges today sacrifice academics in order to build nationally competitive athletic programs.

**New York Magazine** - 1982-02-08

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly

made a place for itself as the trusted resource for readers across the country. Basketball in America - Frank Hoffmann 2016-05-23

Examine the social and cultural impact of basketball on America at the amateur and professional levels! Basketball in America: From the Playgrounds to Jordan's Game and Beyond is a pioneering analysis of the history of basketball and its effect on popular culture from the 1970s to today. The popularity of basketball is undeniable, and the subject allows for such a broad range of interpretations in popular culture. It cuts across economic, racial, and social boundaries, and its major stars cross over into other forms of popular entertainment more than any other professional sport. This book examines the entire scope of modern basketball history, from the playgrounds, where people first learn the fundamentals, to the college and professional levels. Basketball in America is a collection of essays that explores the intersection of basketball and popular culture in America. The contributors are an eclectic mix of writers, scholars, journalists, former players, coaches, and sports enthusiasts who all share an undying love for the game of basketball. The authors analyze the sport from a cross-cultural and historical perspective—digging deep into the profound popular cultural influences of basketball and exploring the scope and depth of its influence. This is the first book that examines the social and cultural impact of basketball on American society to reveal how tightly it is woven into America's cultural fabric. Also included are photographs and tables to enhance your understanding of the material. Topics covered in Basketball in America include: Elgin Baylor—the first “modern” basketball player Chocolate Thunder and Short Shorts: The NBA in the 1970s Dr. J, Bird, Magic, Jordan, and the Bad Boys: The NBA in the 1980s The Jordan Era: The NBA in the 1990s LeBron James and the future of the NBA the Nike brand and popular culture lessons learned from legendary UNC coach Dean Smith professional women's basketball and much more! Basketball in America is a comprehensive analysis that will appeal to anyone interested in understanding how the sport has become an integral part of our national culture. It is an insightful read for sports fans as well as for sports historians. In addition, this book can be used as a textbook in sports history or sociology of sports classes. It will entertain and inform those who treasure basketball and the role it plays in the American consciousness. Make it part of your collection today!

The Washington Post Index - 2009

*Phi Gamma Delta Quarterly* - 1920

**The Air** - George Sullivan 2005-10

The Air focuses upon telepathic communication and its influence upon two teenagers, Schuyler Ballantine and Julie Crystal Flowers, as they mature into adulthood. A concept called air phenomena illustrates Schuyler's telepathic gift. Due to his air phenomena, Julie along with the rest of the world views his entire life via telepathic communication. Schuyler is "The Air" and whatever he sees, hears, feels, and thinks is transmitted throughout her mind along with everyone else's mind. Schuyler and Julie use his telepathic gift to communicate to one another even if geographically separated. Storyline involves how guidance from Julie's telepathic transmission prepares Schuyler to accomplish goals through his senior year at a Kentucky high school, an Army assignment in Korea, and pharmacy employment after military discharge. Later, focus is directed toward Julie as a college student athlete. She is a drama student and basketball player at a small university nearby her hometown in Louisiana. With Schuyler discharged from the Army and in attendance at her games, Julie's basketball career takes center stage as her school challenges the basketball world at a national tournament.
