The Distance Between Lost and Found - Kathryn Holmes 2015-02-17

Blending elements of Laurie Halse Anderson's *Speak* and Gary Paulsen's *Hatchet*, this gripping story from Kathryn Holmes was deemed "a page turner" by author Richard Peck and "an intense story of survival" by ALA Booklist in its starred review. Sophomore Hallie Calhoun has just endured the most excruciating six months of her

life. Once the rumors about her and the preacher's son, Luke, made their way around school, her friends abandoned her, and as a result, Hallie has completely withdrawn. Now on a hiking trip in the Smoky Mountains with the same people who have relentlessly taunted her, Hallie is pushed to her limit. Then Hallie, outgoing newcomer Rachel, and Jonah—Hallie's former friend—get separated from the rest of the group. As days go by without rescue, their struggle for survival turns deadly. Stranded in the wilderness, the three have no choice but to trust one another in order to stay alive...and for Hallie, that means opening up about what really happened that night with Luke. From the catty atmosphere of high school to the unpredictable terrain of the mountains, this novel is a poignant, raw journey about finding yourself after having been lost for so long.

Rohn: Warlord Brides - Nancey Cummings
2019-05-01

What doesn't kill you makes you stronger. Nakia may have lost a leg during the Invasion, but she's not going to let something like that keep her from what she wants. And she wants Rohn. She has since the moment the alien warrior rescued her from a collapsed building. But she's afraid he still only perceives her as a damaged, frail human. She wants him to recognize her as so much more, and she won't rest until he understands they belong together. Rohn might be past his prime, but he's not blind. He knows the other males look at his mate with envy,

admiration, and want. They would tempt her away from him, take her for their own, and claim that an old, scarred warrior like him could not satisfy the appetite of a vibrant young female. He'll battle any threat to his mate, friend or foe, and prove himself worthy.

The Alien Reindeer's Bounty - Nancey Cummings 2019-11-13

Mads + Odessa = 4EVA Except forever ended when Mads kissed Odessa, bit her and then ghosted her. Twelve years later, he's back and looking to pick up where they left off. Um, no thank you. Odessa has more to think about than her own heart. She's now a single mom and can't afford to get involved with a man with a track record of vanishing. It doesn't matter that he's haunted her dreams for years. Or that when they're together, she feels like she can finally breathe. And it certainly doesn't matter that her traitorous body craves his touch. Besides, Mads hoards secrets like they're made of chocolate. One, he's an alien shifter. Like he turns into a

reindeer with antlers and everything. Two, that bite made them bonded mates. And the third secret is the most dangerous of all. How can they have a second-chance at love when the sins of the past threaten to tear them apart? The authors of Starr Huntress were given a challenge: give readers a reindeer shifter in your holiday story. We all agreed to call our shifters "reilendeer" and decided they bring good cheer to the world around them... and then we went crazy! You might notice differences about the world and abilities of the reilendeer from story to story, and that's because each author has put her own spin on the challenge. Now it's time to grab your eggnog, cuddle up by the fire, and enjoy these steamy alien shifters.

Havik: Warlord Brides - Nancey Cummings 2020-06-05

Betrayed and sold at auction, Thalia is a long way from home. When she's given the opportunity to bring those who abducted her to justice, she's all in. One problem. Her alien

partner hates humans, and he really hates her. Too bad for him that she loves to tease the monstrous cross between a devil and an orc. He's big, dangerous, and hits all her buttons. No problem. She can keep it professional. Right? A disgraced warrior. Havik's arrogance lost him a mate. Determined to regain his honor and complete this mission, he will not allow the human female to distract him. He can't trust a liar and a thief. And he definitely shouldn't be kissing one. This books contains one grumpy alien, a woman who won't loose hope, villains getting their just desserts, an HEA, no cheating, and no cliffhangers. While Havik can be read on it's own, the book is best enjoyed after Jaxar.

The ice that ran through his veins turned to fire. The frightened female is his mate. Whatever control he'd possessed snapped in a moment of recklessness, and he hoped that was all he'd lost. Hazel shouldn't desire the terrifying alien. She'd just escaped a disastrous marriage with a violent man, so how could she fall for a growling soldier who punched first and asked questions later? Why did his arms feel like the safest place in the universe? Her gut said to trust Seeran, but her intuition had failed her so many times before. HEA, No Cheating and No

Sophia can not hide her intense arousal as the two golden skinned, horned alien males teach her what it means to be claimed by warriors. Will she be able to wrangle both men or will they tame her with a hot hard country-style ménage? Or will her past destroy the happiness she's found on the alien range? Full length novel. No Cheating. The Alien Reindeer's Joy - Sonia Nova

2019-11-14

Dashing through the snow is no fun when you're running for your life... For reindeer shifter Kaelar, Christmas means a lot more than caroling and hot chocolate. Without him and his fellow reindeer working for Santa, excess joy would go to waste instead of into the hearts of children who need it. Kaelar is committed to the season and the work that comes with it—even when it means working against evil aliens whose

mission is to vacuum away all the joy the reindeer fight to keep alive. With the happiness of hundreds of children on his shoulders, murderous reindeer hunters on his tail, and a group of vicious aliens stealing joy, finding a mate is the last thing on Kaelar's mind. Until he meets her. Chloe is a doctor at a children's hospital, and while she wants to fall in love and have a family, her patients are her priority—so it feels like a gift when a mysterious reindeer shows up at the hospital and brings happiness to the children seemingly by magic. Could the visitor be connected to the handsome, reindeer-costumed man who's been cheering up children around town? The man Chloe can't stop thinking about? All Chloe knows is that the man seems to be counteracting a strange joylessness that has shrouded the town. Can Kaelar save Chloe's town before it's too late? Or will Christmas be ruined forever?
